Ms.M.Prasanthi,Asst.Prof/ME

To

**The Principal/HOD**

**Greetings from SVCET and conference world!!!!!!**

It gives us an immense pleasure to inform you **Sri Venkateswara College of Engineering & Technology, Srikakulam, Andhra Pradesh** is hosting **3<sup>rd</sup> International Conference on Recent Innovations in Science, Engineering and Management** on 27 February 2016 with the collaboration of AR Research Publication and conference world team, to contribute original research papers.

The aim of the conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share development in the field. Prospective authors are invited to submit full (original) research papers in electronic format via email. **Registered Papers will be published in the special issues of associated International journals.**
